CHEXSYSTEMS VERIFICATION

The USA Patriot Act requires identity verification for all new accounts. Suffolk Federal Credit Union uses ChexSystems, powered by eFunds (a consumer reporting agency), to verify information when opening new memberships, checking accounts, or the addition of new joint members. A credit bureau report from a credit reporting agency may also be obtained when applying for membership or to open new accounts. Decisions, based on information obtained from outside agencies and Suffolk Federal Credit Union policies, are at the sole discretion of SFCU. If you are declined for any reason, an adverse action notice will be provided to you.
